Fight.

Are Fought.

Rough Punishment Taken by the Negro-Exhaustion Terminates the Mill.

San Francisco, March 13 .- Jake Kilrain, of Baltimore, and George Godfrey, of Boston, met in a finish fight at the California Athletic Club tonight for admired his gameness. Little or no \$5000 and a trophy.

Kilrain, who has been trained by Muldoon, was in fine form. Godfrey had also trained assiduously for the meeting, and much of the difference in

lowed by Godfrey. Kilrain was seconded by Muldoon and Jim Hall, with Ernest Rober as bottle-holder.

Godfrey's second was Frank Steele. Kilrain weighed about 192, to Godfrey's 174.

ROUND 1-Time was called at 9:33. The men came together with their rights on the ribs. A couple of clinches followed. Kilrain led his left for the ear, but was countered by Godfrey. Kilrain got in the flames continue to rage. Two fire both hands on the face, but the force of engines have started from here. It is men came together and again exchanged some of the building. a number of blows.

Rousn 2-Kilrain landed his left light and six of them were burned to death. on Godfrey's shoulder. Kilrain got in his right on the ear and closed the round by a rush, which was cross-contended Bad Weather Being Experienced Both in by Godfrey.

ROUND 3-Kilrain landed a good left on Godfrey's cheek. The latter rushed, falling short. Some feinting followed, and the round closed with a stop by each man. Kilrain had a light bruise under

Round 4-Kilrain swung his left, but fell short and the men clinched. Godfrey plunged for the ribs, while Kilrain guarded. Godfrey dodged a wicked left, but soon after got a punch in the chest that made him great

ROUND 5-Godfrey lead, falling short. A clinch followed, Godfrey taking the aggressive. Kilrain for the second time caught Godfrey's head under his arm, but cries of "foul" caused him to let go. ROUND 4—Godfrey again dodged a sia. Rivers overflowed their banks and with the left on the cheek, Godfrey

countering on the ribs. Godfrey's left temple was slightly cut. ROUND 7-Godfrey essayed several straight two-hand drivers. Kilrain took his time, but eventually scored a left-

hander. From the eighth to the thirteenth round the fight progressed slowly, through there were several sharp exchanges, in one of which Godfrey received a blow which seemed to daze him. There was some sharp fighting during the next half hour, Godfrey re-

ceiving most of the punishment. ROUND 16-Kilrain started in to slug his man, and though Godfrey gamely endeavored to return his blows he was storm, covering the ground with icy powerless. He continued to smile and

hung on bravely. ROUND 17-Godfrey essayed to rush matters, but his strength was apparently

right eye. ROUND 18-Godfrey rushed Kilrain into his corner, but did no damage. ROUND 19-Kilrain again started to

rain blows on the negro, but except when he succeeded on the cheek or jaw, he did little damage. Godfrey improved each oportunity to get in a blow over the heart.

ROUND 20-Kilrain seemed more powerful and forced Godfrey to give

ROUND 21-Godfrey slipped to the floor during a rapid exchange of blows near the close of the round. He received three sluggers on the jaw, but came up smiling in the next round. Round 23-Godfrey up to this time had taken sufficient to wear out any

punches on the mouth, jaw and ears with perfect equanimity. ROUND 24-No damage. ROUND 25-Godfrey secured but two good blows to his credit in this round. while Kilrain put his left glove on the

negro's jaw and hammered him repeatedly with his right. ROUND 26-Only a little skirmishing. Round 27-Godfrey caught a sounding left on the ear, a couple of short leads on the jaw and a hard right in the ribs, for which he made little return. The contest was preiminently one of endurance, in which the hotel. more powerful build of Kilrain was

gradually deciding the contest in his ROUND 28-The exchange of blows was more even, Godfrey getting his left inside Kilrain's guard several times.

ROUND 29-Barring a chance blow, Godfrey's chance of winning seemed show. He will make up a party of 100 hopeless, but the manner in which he Indians from those on the reservation. took punch after punch precluded Kilrain's winning in a canter. After the twenty-ninth round Kilrain

contined to hammer the colored man around the ring, but without effect. In the thirty-sixth round Kilrain started in to force matters, and encouraged by the cheers of the spectators proceeded to rush matters, hammering Department.

Godfrey against the ropes in his corner, where he fell on the floor but rose again. AFFAIRS OF So great was Kilrain's exhaustion that

he could not touch the man who needed But Godfrey Makes a Game but a touch to send him to the floor.

The forty-first and forty-second rounds Opposition to Parnell Gainpassed without any special efforts, but in the forty-fourth round Kilrain

woke up and began his long twohanded drives for the head, speed-Forty-four Sharp Rounds handed drives for the head, speed- Both Sides Claim Dillon and latter stood feebly against the ropes, unable to do anything, taking whatever punishment Kilrain had strength to administer. Godfrey went through the The Irish Leader Neglecting Parliaropes, landing with his head in a box of sawdust. He gamely struggled to get in the ring, but only succeeded in get-ting partly back, and hung, head downward, over the ropes.

He was counted out and carried to his chair amid cheers of the spectators, who blood was drawn during the fight.

A Mill at Carson City.

.Carson Crry, March 13.—Martin Brannon defeated Jack Shea in thirtyeight rounds for \$250 a side last night. the odds placed on the men was due to the fact that Kilrain's backers were more numerous.

At 9:28 Kilrain entered the ring, fol-

LUNATICS IN DANGER. Burning of an Insane Asylum Near Nash

ville, Tennessee. NASHVILLE, Tenn., March 13.-Fire broke out at the Central Insane Asylum, seven miles from this city on the Mur-

freesboro pike, at 11 o'clock tonight. It started in the rear of the male wing, which has been destroyed, and the blows were broken by Godfrey. The thought they will arrive in time to save

O'Brien.

mentary Duties to Visit Mrs. O'Shea.

Copyright 1891 by New York Associated Press. LONDON, March 13.-Gladstone has been in consultation with Morely, Harcourt and Trevlyan on the scope of the Liberal electoral platform, and is preparing to announce it at Hastings. It is learned that home rule, with a definite exposition of the position of the Irish exposition of the position of the Irish representatives to the Government continues to hold a front rank. The Liberal leaders have been fortified with a determination to pursue the Irish policy by a report prepared at the electoral headquarters, on the probable results of the

stone is assured of the support of an Irish phalanx of seventy-three steady adherents. The plank of the Liberal platform is: "One man, one vote, equalization of taxation, amendment of factory acts, as affecting children, and measures to assist the rural laborers to

Parnell faction fight, Mr. Schnadhorst's

forecast reduced Parnell's following in

the next Parliament to ten and Glad-

acquire holdings." It is significant of an early dissolution of Parliament to find the Conservatives becoming champions of rural workers. Parnell's attitude of partial respect toward the clergy disappears and thinly veiled insolence, sometimes open, is the prevailing characteristic of the speeches ciprocal arrangements with other countries.

combat by revisiting the scene of his The response of Ireland to the political funds is cause of bitter disappointment to the Parnell faction. The Free-

report that Dillon and O'Brien will take be prepared to give the most friendly occasion of a meeting of the National Executive Committee to state as soon as are expected to join the Federation Committee. A large proportion of the correspond-

in England, Secretary McCormick states will be mutually beneficial and honorthat over 200 American claims to large able to both countries." estates in Great Britain have been received. None of the cases have shown even the evidence of probability, and there is reason to believe they are de-ceived by English sharpers. The position of American insurance companies in England was brought up in the Commons tonight by Fry, asking

the American Legation is de-

companies had an advantage of home companies by having no income tax to pay, therefore should not have a rebate.

IRISH RELIEF WORKS. Danger of Starvation Exists on the Outlying Islands.

LONDON, March 13.-In the Commons

this evening in the Committee of Supply

Balfour asked a credit of £55,831 for the relief of distress in Ireland. He explained that the Government ance the farmers, priests and land-lords had rendered, which saved the Government much expense. There has been no case of starvation on the main land, but great risk of starvation on the islands and therefore special steam-

ers have been chartered to investigate the condition of the inhabitants and convey supplies to them. The number of persons engaged in the relief works on February 28, was 7397. The total amount of wages paid was £21,159. The Government was at

at present spending £3000 weekly in wages. The credit asked was adopted. A MANIFESTO BY PARNELL.

He Solicits the Further Assistance of the

Irish in America. London, March 13 .- Parnell has issued their moral and financial support in the past, says it becomes his task to restore the unity of the Irish parliamentary forces, which was temporarily destroyed by the hasty and meddlesome interfereences of English politicians, and sudden

panic among the young recruits repre-sented by a few malcontents. the same case. He asked that delegates whom he is sending to America, to more fully ex-plain his position, be extended a favorbe extended as in the past.

NEGLECTED IRELAND.

Parnell Has Evidently Returned to His Allegiance to Mrs. O'Shea.

London, March 13 .- Parnell's absence from the House of Commons during Balfour's speech on the distress in Irerope, says his mission is to aid the present Minister to Spain in furthering a reciprocity treaty with Cuba, and that he is accredited from the State land has caused intense surprise.

Parnell mysteriously vanished on

eled to Brighton and stayed at Walsing- verdict.

ham with Mrs. O'Shea. He remained secreted until 6 o'clock tonight, when he appeared in the Commons, but after two hours returned to Brighton. A messenger boy has called at the Com-mons daily for Parnell's letters and in reply to inquiries declared that Mrs. O'Shea sent him. Even friends of Parnell say that his

continued neglect of Ireland will com-pletely ruin his cause. Referring to Arbitration.

London, March 13.-In the Commons today Chancellor of the Exchequer Goschen admitted that there was a basis of truth in the report that the Govern-ment of France and her majesty's Gov-ernment had decided to refer the matters in dispute in connection with Newfoundland to arbitration.

Still Obstinate Beaux, March 13 .- In the Reichstag today Von Boeticher, Vice President of the Ministry of State, replying to Barth,

Resuming Bismarck's Methods. Berlan, March 13 .- Waldersee is

visiting Bismarck at Friedricksrue. Following the recent conference between Waldersee and Emperor William, the visit is regarded as confirming the reports that the Emperor was contem-plating the readoption of Bismarck's method of government.

RECIPROCITY WITH CANADA.

Comments of a Canadian Diplomat on th Situation. OTTAWA, March 13.—Sir Charles Tup-per said today: "I am very sanguine yards of the United States during the that reciprocal treaty arrangements, be tween Canada and the United State will be very soon made. My confidence arises from the fact that Mr. Blaine w know to be opposed to the McKinle tariff act and he has sought to relies that measure of the natural consequence of the Leaguers. In a letter published today Archbishop Croke ridicales, while denouncing, the latest Parnellite attempt to blacken the Bishop's character through the publication of the Archbishops League letter. In an article in the Labor World, appealing to Irish-Americans, Michael Davit declares the effrontery of Parnell is measureless in asking Irish-Americans to uphold his base betrayal of the Irish party. Par-nell solaces himself amid the fever of the which Canada would be included in a treaty

make with the United States. "Mr. Blaine is undoubtedly a very eminent and able statesman, and, following, no doubt, the discussion of issues between the two parties in this country has learned that the statement subscribes generously, Parnellism is after the first fuer- are a feet and subscribes generously. paign.

The Parnellites continue to spread the in this country will, I have no doubt, as to the real position of the two parties consideration to the wishes of the Govmore friendly trade relations between Dillon and O'Brien are released they the Dominion and the United States. I shall be greatly surprised if Mr. Blaine does not crown his best efforts as a public man by accomplishing a settlement of all questions of friction between the voted to the subject of unclaimed estates | United States and Canada on terms that

A TERRIBLE SITUATION.

The Great Atlantic Steamer Suevia Drifting Helpless at Sea. London, March 13.-The Hamburg-American Line steamship Suevia, from New York, February 26, for Hamburg, Joschen, Chanceller, of the Exchequer, which was reported yesterday disabled to rebate taxes on the policies on those companies. Goschen replied that foreign in the Channel has not yet been found. Her chief officer, who reached Plymouth Wednesday night, says the low pressure condensing engine valve was found to be today. It was from Governor Hill, of broken when the Suevia was off the New York, and the amount called for southernmost point of Devonshire, Mon-

day. A strong east gale was blowing and a heavy sea running. The Suevia drifted down the Channel and experienced terrible weather all Monday night and Tuesday. Late on Tuesday her signals of distress were responded to by a small London steamer which, however, would not attempt to He explained that the Government tow the large steamship to Plymouth or has adopted every possible means to Dartmouth for fear of disaster. This expedite relief works, which otherwise failing, the chief officer of the Suevia put could not have been begun before April off in a small boat and, after receiving a or May. He spoke highly of the assist-

pilot boat, which brought him to Plymouth. A powerful ocean-going tug was sent out to search for the Suevia, but re-turned last night without finding any trace of the big liner. Another power-

ful tug was sent out from Southampton this morning. THE HENNESSY CASE.

A Very Peculiar Verdict Rendered on the Accused Sicilians. NEW ORLEANS, March 13,-In Hennesey case this afternoon the jury rendered the following verdict: "Mistrial as to Polizze, Monastero and Scoffedi; not guilty as to Macheca

and Marchesa, Bagnette, Marchesi, (boy), Incardonia and Matrianga. As the verdict was read, each person lengthy manifesto to the Irish people in the court room turned to the person of America in which, after referring to next to him and there was an audible expression of surprise and dissatisfac tion. The deputies, however, immediately suppressed the noise and then Judge Baker ordered the jury discharged and the prisoners to be remanded, as there was still anothe rived here today from Pine Ridge. charge against them in connection with

The jurors refused to discuss with the reporters what had happened in the sending to America, to more fully ex-plain his position, be extended a favor-able reception and hearing, and that aid crowd who had already learned of the verdict. Indignation over the verdict is gen

eral. There is another indictment against the accused, but it is for a lesser

offense, and as it concerns the same

transaction, the District Attorney will have to enter a nolle prosequi.

There has been a mass meeting of citizens called for tomorrow, and the call is for men to come prepared to do what justice failed to do.

All the Italian steamers and schooners

UNEASY ABORIGINES.

Threatening War. CHICAGO, March 13 .- Dr. C. A. Eastman, an educated Ogallala Sioux, ar-

In an interview in a local paper, he says he has been in the camps of the Indians at Pine Ridge, and from present indications the probability of another Indian war is promised. There is great discontent among the Indians. Personally, he does not think they will do anything desperate, but young braves are holding secret conferences and even con-servative men are talking of war. The people out there are dissatisfied at not having received information as to how the hostiles at Fort Sheridan are being treated and fear treachery.
